- providing a fair and manageable system for dealing with non-payment and/or inability to pay fees/outstanding debts;

3. BACKGROUND AND LEGISLATION

Background

The Department of Education and Training (DET) provides per capita funding as a contribution towards the costs of the four-year-old kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible families to attend the four-year-old kindergarten program at minimal or no cost.

DET also funds eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in The Kindergarten Guide – Victorian Government, Department of Education and Training document (refer to *Sources*).

DET requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. The Kindergarten Guide – Victorian Government, Department of Education and Training document available at;

www.education.vic.gov.au/.../funding/Kindergarten%20Guide%202015%20-%20acc... (refer to *Sources*) outlines the criteria to be covered in the policy.

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *Charter of Human Rights and Responsibilities 2006* (Vic), as amended 2011
- *Child Wellbeing and Safety Act 2005* (Vic), as amended 2012
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulation 168(2)(n)
- *Equal Opportunity Act 1995* (Vic)
- *National Quality Standard*, Quality Area 7: Leadership and Service Management
 - Standard 7.3: Administrative systems enable the effective management of a quality service

AUTHORISATION

This policy was adopted by the St Johns Kindergarten Committee of Management and updated by executive committee in May 2017.

Review date: This policy will be reviewed every two years and is next due in 2019, unless deemed necessary earlier.

ATTACHMENT 1

Fee information for families

St Johns Kindergarten 2019

1. Why fees are necessary

The Department of Education and Training (DET) provides per capita funding as a contribution toward the costs of providing a four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a four-year-old kindergarten program free of charge, or at a minimal cost.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

St Johns Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service;
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy;
- the availability of other income sources, such as grants;
- the fees charged by similar services in the area;
- the capacity of parents/guardians to pay fees;
- reasonable expenditure in meeting agreed; and
- program quality and standards requirements of the *Kindergarten Fee Subsidy – Fees Policy* (details in *The Kindergarten Guide – Victorian Government, Department of Education and Training* document available at: www.education.vic.gov.au/.../funding/Kindergarten%20Guide%202015%20-%20acc...)

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

3. Other charges

Other charges levied by St Johns Kindergarten are included on the Statement of Fees and Charges. These include:

- **Non-refundable enrolment fee:** This payment secures a child's place at the service and is payable on acceptance of enrolment. Families eligible for the Kindergarten Fee Subsidy (see below) are not required to pay the enrolment fee. Families experiencing hardship should also discuss any difficulties with the service.
- **Family Involvement levy (refer to Family Involvement Policy for more detail):** The participation of parents/guardians is encouraged by the service and can help to keep costs more affordable. However not all families are able to assist at the service. A refundable levy system has been introduced by the service and replaces voluntary labour with paid labour. Payment will be refunded to parents/guardians on participation of two

(2) specified activities which may include working bees, maintenance and gardening etc. Eligible concession card holders will not be required to pay this levy. The levy is not intended to be a barrier to participation and families experiencing difficulties should discuss this with service.

- **Late collection charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management.

4. Statement of fees and charges

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

5. Fundraising

While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

6. Subsidies

6.1 Kindergarten Fee Subsidy (four-year-old programs only)

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend kindergarten free of charge or at minimal cost. Eligibility conditions change from time-to-time – contact the service for further information.

Families who may be eligible for the Kindergarten Fee Subsidy (four-year-old programs only) include those who are:

- Health Care Card holders;
- Pensioner Concession Card holders;
- Department of Veterans' Affairs Gold Card or White Card holders;
- Bridging Visas A-E;
- Refugee Visa (subclass) 200;
- In-country Special Humanitarian visa (subclass 201);
- Global Special Humanitarian visa (subclass 202);
- Temporary Humanitarian Concern Visa (subclass 786);
- Protection visa (subclass 866);
- Emergency Rescue visa (subclass 203)
- Woman at risk visa (subclass 204)
- Immicard
- Aboriginal or Torres Strait Islander children; and
- triplets or quadruplets attending a funded kindergarten program in the same year.

Supporting documentation must be sighted by the service on acceptance of a place or on commencement in the program. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

6.2 Early Start Kindergarten fee subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

7. Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Finance Manager to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

8. Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.

9. Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week i.e. Extended Care.

In any other case, fees are non-refundable, exceptional circumstances may apply – these are at the discretion of the Committee of Management such as the child or an immediate family member suffering from a chronic illness or a death of an immediate family member which results in the child no longer attending St Johns Kindergarten. There will be no refund of fees in the following circumstances:

- a child's short-term illness;
- public holidays;
- family holiday during operational times;
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available;
- closure of the service for staff training days;
- closure of the service due to extreme and unavoidable circumstances; and
- Departure in the final term.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

10. Children turning three during the year of enrolment

Full payment from the first day of Term 1 is required if a place is to be reserved for a child in the three-year-old kindergarten program. Children can only commence the program when they have turned three.

11. Support services

Families experiencing financial hardship often require access to family support services. Information on these services is available from the kindergarten service provider and a list can be supplied to those families who require it.

12. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
