

2020 Orientation Questionnaire

'Effective relationships between educators and families are fundamental to the quality of education and care that children receive' p147 Guide to the National Quality Standard

To enable your child's teachers to provide a suitable and enriching program for your child it is important that we have some background info.

Parent/Guardian

Has your child been cared for outside the family home?

What is your families' cultural background and/or nationality?

What traditions/cultural days does your family celebrate? (eg: Chinese new year/father's day/Christmas)

Does your child have any fears?

How does your child learn best?

How can we help make this a positive transition for your child?

What do you want for your child from their kindergarten experience?

Is there anything else your teachers should know about your family or child?

Child (Please dictate your child's words)

What is your favourite place to play?

What are you going to do at kinder?

Do you have any pets?

Where do you belong?

What are you good at?

What would you like to be good at?

What is your favourite book?
